*Re: Public Records Request—Gasoline Prices*

Dear Ms. Prebil:

This letter is in response to your public records request dated January 19, 2017, which was received by our office on January 24. You requested all communications between our office and the Federal Trade Commission and the Office of Senator Bernie Sanders—and all consumer complaints we have received—that were regarding gasoline prices in Chittenden, Grand Isle, and Franklin Counties, within a timeframe of January 1, 2008, to present.

This letter constitutes written notice pursuant to 1 V.S.A. 318(a)(5) that the time limits prescribed by the Vermont Public Records Act are extended to on or before February 7, 2017. The time is being extended due to the need to search for, collect, and appropriately examine a potentially voluminous amount of separate and distinct records demanded in your single request as well as the need for consultation within the Attorney General's Office. 1 V.S.A. §§318(a)(5)(B) and (C).

Sincerely,

A handwritten signature in black ink, appearing to read "Rowan Cornell-Brown".
