Subject: records request

Hi Jason (Chris cc'd),

I have attached a public records request for the debt collection complaints filed with CAP from 2016.

I left a message with you earlier; I was hoping to speak with you at some point to clarify the information I'm requesting, as well as get a better sense of what's available. For instance, if you could send me the information digitally, or as an excel spreadsheet or similar format, that would be idea. Give me a call when you get a chance. I'd also like to speak with you regarding debt collection more broadly.

I wasn't exactly sure where to send a public records request, so please forward this to whomever deals with this kind of request. Feel free to contact me with any questions: 802-565-1824.

Thanks for your help.

Best,
Katie
