Re: Public Records Request

Dear Mr. Eaton:

To the extent you have filed public record act requests following your requests from August 2017, please be aware that the Attorney General's Office will need confirmation of your willingness to pay costs identified in our September 8, 2017 letter to you before further processing your requests. Please also note that the Attorney General's Office is not the custodian of records of other agencies of state government, including the Vermont State Police. We understand from your most recent correspondence that you may wish to pursue litigation related to civil rights or other causes of action against the State. In addition, if you are not already aware, please note that the Vermont Department of Public Safety provides information at the below website regarding the filing of complaints related to the Vermont State Police.

We hope the above information is helpful to you.

Sincerely,
