Re: Public Records Request

To Whom It May Concern:

I write in response to your ten public record act requests dated November 7, 2017, attached to this letter, sent through MuckRock.com. Due to the volume of information you have requested, the Attorney General's Office will need to invoke its right to additional time to respond to your requests pursuant to 1 V.S.A. 318(a)(5)(B). We will further respond within ten business days of receipt of your requests, and will seek to provide cost estimates associated with processing your requests. Please note, pursuant to 1 V.S.A. § 316(c), the Attorney General's Office may require payment prior to production of records. Please also note, fees under Vermont's Access to Public Records Act apply to all requesters, see 1 V.S.A. § 316. Finally, although your requests note they are follow up to previously submitted requests, please note we do not have record of the previously submitted requests you describe prior to November 7, 2017.

We will be further in touch within ten business days.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen M. Farnsworth".
