**Subject:** RE: Public records request

Hi Jason:

We at Legal Aid are ramping up our auto fraud practice and are trying to determine the most common abuses and worst actors. To that end, we are hoping to access records for all car purchase and car financing related complaints to CAP in 2017. We may decide we want to go back further depending on what we see in 2017, but I think this will give us a good start. Please let me know if you need something more formal from me or if you want to talk about how best to proceed.

Thanks in advance,  
Grace
