Re: Public Records Request

Dear Ms. Lang,

This is a follow-up to my letter of December 29, 2017, in response to your public records request to our Consumer Assistance Program “for any and all information the Attorney General’s office has on UVM Medical Center changing the terms of eleven endowments they were given that were less than \$50,000 and donated more than 20 years ago” and specifically relating to “eleven endowments given in perpetuity to the hospital between 1885- 1891 for a ‘free bed’ for needy members of the community.”

We have conducted searches of our records and found no documents responsive to your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Curtis", written over a horizontal line.
