Re: Public Records Request

Dear Mr. Cuno-Booth:

The initial review of your public records act request, which our office received on March 8, 2018 has been completed. As noted in our earlier correspondence, the materials which are covered by your request are voluminous and contain numerous records which will require redaction. There are approximately 2,800 pages of records that cover your request, all of which contain protected health information. The following is an estimate of the time and associated costs necessary to respond to your request:

- | | |
|--|-----------------------|
| 1. Admin redaction of electronic records | 90 hrs @ \$.45/minute |
| 2. Attorney review of electronic records | 10 hrs @ \$.57/minute |
| 3. Analyst review of electronic records | 10 hrs @ \$.57/minute |

(See "Uniform Schedule of Public Records Charges for State Agencies, Vermont Secretary of State," available at <https://www.sec.state.vt.us/archives-records/certifications-fees/uniform-fee-schedule.aspx>)

We ask that you confirm your willingness to pay the above costs (totaling \$3,114.00) before we proceed further with processing your request. Alternatively, you may narrow your request. If the actual cost to respond to your request is less than that estimated, the difference will be refunded to you.

Should you have any questions regarding this matter, please contact Steven Monde.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Monde".
