Re: Records Request – Sunrise Family Resource Center, Inc.

To Whom It May Concern:

The office of Meub Gallivan & Larson (the “Firm”) currently represents **Darrell Radcliffe** (the “Client”). The Firm has retained our agency to assist with that representation. On behalf of the Firm, the Client, and our agency, we are submitting this public records request pursuant to title I of the Vermont Public Records Act. Specifically, we are requesting any and all records you have relating in any way to the following persons:

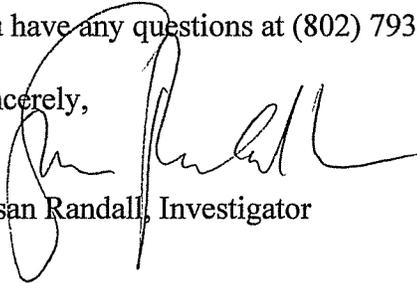

- Darrell Radcliffe (DOB: 06/30/1984);
- Sunrise Family Resource Center, Inc. (a VT Corporation);
- Bennington Child Day Care, Inc. (former name of Sunrise Family Resource Center);
- Noel Meagher-Washington (DOB: 4/27/88)
- Carri Radcliffe (AKA Carri Krause) (DOB:6/22/85)
- Scott Jeffrey Longtin (DOB: 03/1955); and
- Mary Longtin (DOB: 7/10/59)

We are requesting all records, electronic or otherwise, which relate to the above subjects and are in your custody or control. Without limiting our request, we are particularly interested in records relating to allegations of child abuse carried out by employees of Sunrise Family Resource Center, Inc. during the 1980s. We are also interested in any current or past investigations or other records referencing any of the above-named persons.

Please contact me as soon as possible if you anticipate this request taking longer than required by statute. If these records no longer exist or have been destroyed, please provide me with written confirmation of this and a copy of your destruction policy.

Feel free to call me if you have any questions at (802) 793-9367.

Sincerely,

Susan Randall, Investigator
