Re: Public Records Request

Dear Mark Davis:

I write in response to your revised public records act request received by Natalie Silver in our Office on January 28, 2019.

Your revised request does not include videos, photos or emails. You have requested, "investigative reports and/or affidavits written by the people who conducted the investigation, any incident reports that were prepared as part of the investigation, and any witness statements or transcripts of witness interviews."

The materials which are covered by the request may contain records which will require redaction and others which may be exempt from disclosure pursuant to provisions contained within 1 V.S.A. § 317.

Your modified request requires the review of approximately 294 pages of electronic records. The revised cost estimate:

- |  |                               |
|--|-------------------------------|
| 1. Attorney review of records            | 5hrs @ .57/minute (\$171.00)  |
| 2. Admin redaction of electronic records | 15hrs @ .33/minute (\$297.00) |

Should you wish for us to proceed with your request, please forward a check for the total estimated cost of \$468.00. If the actual cost to respond to your request is less than estimated, the difference will be refunded to you.

Should you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

/s/

Molly R. Gray  
Assistant Attorney General
