Attorney General Thomas Donovan, Jr.
109 State Street
Montpelier, Vermont 05609

RE: Public Records Request for Information Pertaining to Opioid Settlements and Judgements

Dear Attorney General Donovan,

Pursuant to Vermont Public Records Law § 315 et seq., this is a request for information pertaining to legal settlements and judgements between the State of Vermont, as well as state institutions and/or political subdivisions within the state, and entities involved in the manufacture, marketing, distribution, prescription, and/or sale of prescription opioids.

Specifically, we request electronic copies of: all claims or lawsuits made/filed by you for the state or any of its entities against opioid manufacturers or opioid distributors from 2005 until present including the claim, the suit, identification of the parties against whom suit was filed or a claim made, any discovery in the suit or claim, any settlement or compromise reached in the suit or claim, disposition of the settlement or judgment funds (identify all recipients of monies received).

Disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the State's response to the opioid epidemic. Therefore, I would like to request a waiver of all fees associated with satisfying this request. However, if no such waiver is available, please let me know in advance if the fees associated with satisfying this request will exceed \$100.

The Vermont Public Records Law mandates a response within ten (10) business days. If access to the records I am requesting will take longer than this time period, please contact me with information about when I can expect to receive electronic copies of the requested records.

If portions of the requested records are closed, please segregate the closed portions and provide me with the rest of the requested records. In the event that you feel you must deny any or all of this request, please cite each exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request. If any other information is required, please do not hesitate to contact me at (504) 399-0009 or csmith@sch-llc.com. Thank you for your prompt attention to this matter.

Sincerely,

Claris Smith
Associate, Cooper Law Firm
