Dear <<FirstName>> <<MiddleName>> <<LastName>> <<NameSuffix>>,

Based on our records, you may currently be, or may have previously been, employed by or engaged with Emcare, Inc., Sheridan Healthcorp, Inc., or one of their affiliates (“EmCare”) or American Medical Response, Inc. (“AMR”). EmCare values and respects the privacy of your information, which is why we are writing to advise you of a recent incident that may have involved some of your personal information. Although we have no reason to believe that your personal information has been misused for the purpose of committing fraud or identity theft, we are writing to advise you about the steps that we have taken to address the incident and provide you with guidance on what you can do to protect yourself.

AMR is an ambulance service provider that was a sister company to EmCare from 1997 until it was divested in March 2018. After the divestiture, EmCare supported the email application and other shared applications, until they could be separated out and placed on different servers. AMR recently became aware that an unauthorized third party obtained access to certain AMR employees’ email accounts. Upon learning of the incident, AMR promptly launched an internal investigation. In addition, AMR retained a leading forensic security firm to assist in its investigation. On June 15, 2019, AMR requested that EmCare notify any EmCare employee whose personal information was contained in an AMR employee’s e-mail account. This information included your name and Social Security number.

Although we are not aware of any instances of fraud or identity theft, we are offering a complimentary one-year membership of Experian IdentityWorksSM Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at: Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting <http://www.annualcreditreport.com>, by calling toll free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries, including obtaining information about fraud alerts and placing a security freeze on your credit files, is as follows:

Experian

TransUnion

Fraud Alerts: You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at <http://www.annualcreditreport.com>.

Credit and Security Freezes: You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013

TransUnion Security Freeze
Fraud Victim Assistance Dept.
P.O. Box 6790
Fullerton, CA 92834

You can obtain more information about the fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.
