Re: Public Records Request

Dear Ms. Corwin:

Our office has completed its initial review of your public records act request. As noted in our earlier correspondence, the materials which are covered by your request are voluminous and contain numerous records, many of which contain protected health information, which will require redaction. The following is an estimate of the time and associated costs necessary to respond to your request:

- |  |                      |
|--|----------------------|
| 1. Admin redaction of electronic records | 5 hrs @ \$.45/minute |
| 2. Attorney review of electronic records | 7 hrs @ \$.57/minute |

(See "Uniform Schedule of Public Records Charges for State Agencies, Vermont Secretary of State," available at <https://www.sec.state.vt.us/archives-records/certifications-fees/uniform-fee-schedule.aspx>)

We ask that you confirm your willingness to pay the above costs (totaling approximately \$375) before we proceed further with processing your request. Alternatively, you may narrow your request. If the actual cost to respond to your request is less than that estimated, the difference will be refunded to you.

Should you have any questions please call.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Monde".
