Dear <<Name 1>>:

We value and respect the privacy of your information, which is why we are writing to advise you of a recent data security incident that may have involved some of your personal information. We recently learned that some of your information could have been viewed by an unauthorized third party who illegally accessed one (1) of our employees' email accounts between June 13, 2019, and August 16, 2019. We have no reason to believe that your information has been misused to commit fraud or identity theft; however, we are providing guidance on how you can protect yourself.

Upon learning of the incident, we promptly secured all emails to prevent further access. We also retained a leading forensic security firm to investigate and conduct a comprehensive search for any personal information in the impacted email and to confirm the security of our email and computer systems. On September 30, 2019, our investigation determined that the impacted email contained your name and Social Security number, and for some individuals, driver's license number.

We do not know for certain if any of your personal information was ever viewed or acquired by the unauthorized third party, and we are not aware of any instances of identity theft as a result of this incident. However, because we value our relationship with you, we are offering you a complimentary one-year membership of Experian IdentityWorks<sup>SM</sup> Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you and enrolling in this program will not hurt your credit score. **For more information on IdentityWorks Credit 3B, including instructions on how to activate your complimentary one-year membership, please see the additional information provided in this letter.**

We take our responsibility to safeguard personal information seriously and apologize for any inconvenience or concern this incident might cause. We are committed to taking steps to help prevent something like this from happening again, including reviewing our technical controls. For further information and assistance, please call 833-935-1359 from 6:00 a.m. to 6:00 p.m. PST.

## Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at: Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting <http://www.annualcreditreport.com>, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries, including obtaining information about fraud alerts and placing a security freeze on your credit files, is as follows:

Equifax

**Fraud Alerts:** You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at <http://www.annualcreditreport.com>.

**Credit and Security Freezes:** You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies using the contact information above.

Individuals interacting with credit reporting agencies have rights under the Fair Credit Reporting Act. We encourage you to review your rights under the Fair Credit Reporting Act by visiting [www.consumerfinance.gov/f/201504\\_cfpb\\_summary\\_your-rights-under-fcra.pdf](http://www.consumerfinance.gov/f/201504_cfpb_summary_your-rights-under-fcra.pdf), or by requesting information in writing from the Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. NW, Washington, DC 20580.
