Dear Mr. Harrington:

Your Vermont Public Records Act request has been referred to me. Your request was for the following records:

“[S]preadsheet or digital record (or similar) showing records requests received and processed by the Vermont Department Of Agriculture.”

The correct office to handle your request is the Vermont Agency of Agriculture, not the Attorney General’s Office. The Agency’s contact page can be found here:

Please let me know if you have any questions.

Thank you,  
Charity
