### **Vermont Public Records Act: Open Records Log and Calendar**

To Whom It May Concern:

This is a request under the Vermont Public Records Act. Per the statute, please provide responsive records in three business days.

I am requesting the following from November 1, 2019 through present from the Office of the Attorney General:

1. A copy of the logs that reflect records requested under the state's open records logs (commonly referred to as "FOIA logs"). Please note this is not a request for all individual requests filed with the attorney general's office but rather a request for a summary of those documents which often include the date of request, name of the requester, organization, tracking number, summary of the request, request disposition/status. Please provide in Excel, PDF or other machine readable format.
2. A copy of all of the Attorney General's calendars for the time period requested.

When possible, please begin providing records responsive to this request immediately on a rolling basis in a machine readable format to the email provided.

I preemptively agree to pay fees up to \$100 for the search and production of the above-described records and ask to be notified only if the estimated fees exceed that amount. Once records are compiled, please justify each deletion separately by reference to specific exemptions of the law and release all reasonably segregable portions of otherwise-exempt material.

I look forward to your response within the act's statutory time limit.

Thank you for your consideration of this request.

Sincerely,

Jeremy Borden
