Dear Ms. Glickhouse,

Thank you for speaking with me yesterday regarding your public records request. To confirm our conversation, you have refined your request regarding the 2016 and 2018 federal election cycles as follows:

You do request all complaints, related documents, and dispositions for campaign finance violations which resulted in fines paid.

You do request all complaints, related documents, and dispositions for complaints alleging improper voting or voting procedures.

You do *not* request any complaints or related documents regarding de minimus violations of campaign finance laws where no fines were issued, such as complaints about improperly worded lawn signs.

Please let me know if any of the above is incorrect. Otherwise, I will respond to your request within the time period previously stated.
