Good afternoon,

The purpose of this email is to request, under the Vermont Public Records Act, the following for 2019 and/or 2020:

- Low-acuity vs. high-acuity spending for Medicaid fee-for-service beneficiaries

If possible, we would prefer to receive this information in electronic format. Please advise of any cost associated with this request and relevant remittance information for payment.

Your acknowledgement of this request is most appreciated.

Sincerely,

Scott Silberberg
