Re: Request for Public Records

February 24, 2020

To Whom It May Concern:

This is a request for public information in conjunction with Vermont Public Records Law, §315 et seq.

I request that a copy of documents containing the following information be provided to me:

- Any and all documents and information pertaining to veteran owned businesses. Specifically, we ask for a list of veteran owned businesses and companies within the state that do business with veteran owned businesses, as well as any additional information regarding their physical addresses, email addresses, and telephone numbers in accordance with state law.

In order to help determine my status to assess fees, you should know that I am affiliated with a private corporation and am seeking information for use in the company's business, particularly to assist military veterans with obtaining the best employment opportunities available to them in both the public and private sector. Please inform me of the cost of this request prior to processing.

If you have any questions regarding this request, please contact me at (855)765-8080 or via email at james@yourjobpath.com. I look forward to receiving your response. Thank you for your consideration of this request.

Sincerely,
