I'd like to request the information for consumer complaints filed against financial, legal or debt collection companies with your office between the dates of 8/1/19 - 3/15/20. (Debt collection complaints by any type of entity)

We do not need identifying consumer data, that can be omitted or redacted. We are primarily interested in the names/addresses of the companies being complained about, the date and nature of the complaint, and some sort of unique identifier for each complaint.

I've attached the last file that was sent to us for your information.

Thank you! Stay safe!
