Hello,

The Attorney General's Office received a public records request from David Shaddy, cc'ed, concerning "Department Secretary of State Professional Licensing." In our response (attached) we asked whether Mr. Shaddy was referring to the Secretary of State's Office of Professional Responsibility. Mr. Shaddy responded below. In short, it looks like there is a link on the Board of Nursing portion of the Governor's website to "Secretary of State Professional Licensing," but the link is broken.

Could you please let me know whether this link means to reference the Secretary of State's Office of Professional Responsibility?

Thank you.

The link above contains the "Department of Secretary of State Professional Licensing".

That is what I mean.
