Dear Mr. Shaddy:

Your initial request referenced a "Judge Belcher." Responsive documents were provided (attached); others were withheld. This request for public records is at an end.

If there is a different person about whom you would like to make a request for public records, the means of making a public records request of the Attorney General's Office can be found here:
<https://ago.vermont.gov/submit-public-records-request/>

I hope that's helpful to you.
