Subject: RE: After some research - public records request

Dear Mr. Shaddy,

I write with regard to your request for public records, dated 4/21/20 requesting "any public records requests regarding the basis for the Vermont Attorney General's repeated objections to performing the investigation and enforcement duties he has thus far refused to provide to the people of the state of Vermont."

As the Attorney General has never objected to his duties or refused to execute any part of the obligations of the office of Attorney General, we have no records responsive to your request.
