Hi Charity,

I am unable to locate any response to the public records request re: records of a Vermont governmental official named "State Prosecuting Attorney" of the (nonexistent "Office of the State Prosecuting Attorneys", as written in my request.

Please accept this as my appeal of the denial of my public records request, accordingly.

I believe you are confused as to the Vermont Attorney General's legal requirements in such matters. Please review the Vermont Public Records Act and and fascinate the proper action, or have the Vermont Attorney General do so himself.

Thank you,

David Shaddy, RN
