Charity,

I am concerned about the documents the Vermont Attorney General sent me.

The documents appear to be an employment contract in which a Vermont executive agency attempts to “contract” with an attorney to exercise judicial power in a nonjudicial capacity, by a nonjudicial office.

I’m hesitant to ask why the Vermont Attorney General would send me such a thing.

Please provide me with any records of the Vermont Attorney General’s investigation and prosecution of the perpetrators of the crime recorded in the documents sent to me by the Vermont Attorney General.

Please provide any records of the Vermont Attorney General unit which investigates and prosecutes such crimes on behalf of the people of the state of Vermont. Please include any records of that units contact information.

Thank you,

David Shaddy, RN
