Re: Vermont Public Records Act request, dated April 22, 2020

Dear Mr. Spence:

On April 22, 2020, you made the following request for public records to our office:

I would like to request access to electronic copies of any and all e-mail communications between Vermont State Colleges Chancellor Jeb Spaulding and any employees of the Attorney General's office, as well as communications between the Chancellor and the Governor's office, pertaining to the proposed closure of Northern Vermont University and consolidation of Vermont Technical College.

On April 23, 2020, we referred you to the Governor's Office for records responsive to your request concerning the Governor's Office. Today, I write with a response from our office as to your request for records concerning the Attorney General's Office.

The Attorney General's Office has conducted a search for records responsive to your request. No responsive records were identified.

I hope this information is helpful to you.

Sincerely,

/s/ \_\_\_\_\_
