Subject	St albans officer
----------------	-------------------

Message	Hello I was wondering if I could please get more information on the decision to give bail to the saint Albans officer that was arraigned for kidnapping and torture of a young woman in Saint Albans. I don't understand how the Attorney General could let this happen, let a man who is supposed to be working for the people and protecting the community be let out of jail for something like this The attorney general statement says that they uphold the civil rights of citizens. How is this man being free upholding the civil rights of the woman that was tortured and kidnapped by him.
