Ben,

I appreciate you taking the time this morning to review your request for information about pre-trial risk assessment tools. Based on our conversation, I understand your request to be refined as follows:

1. Excerpt of the manual given to Vermont Pretrial Services Coordinators that addresses pre-trial risk assessment,
2. A copy of the Ohio Risk Assessment Pretrial Assessment Tool (ORAS-PAT) questionnaire and the scoring matrix, and
3. A sample form provided to judges with the ORAS-PAT results.

Please let me know if this is incorrect.

As I mentioned, I'll be going into the office on Monday and will send along the above information by June 29th.

Regards,
Willa
