Good day,

I'm making a public records/FOIA request for the following information for the State of Vermont:

- 1) The total number of state employees covered by collective bargaining agreements and;
- 2) the number of employees the state is withholding union dues or fees from for each pay period in May and June of 2020.

If your state is not withholding dues or fees from public employees, please provide the number of state public employees who are union members.

My best,

Iruoma Ezumba
