To Whom it May Concern:

This is a request for records from the Attorney General's Office, which I hope will include your responses for all correspondence and documents concerning Marlboro College occurring after the June 11 Response made by your office to Martin Heck.

I'm not familiar with the laws and specifics of Martin's request but believe it would suit me well if your responses to me were the same as those being made to Martin:

INCLUDING all documents of the type found in your June 11 response to Martin (which were not included in the public record of your responses to him) to be made on the same three-day timeline you worked out for him on documents of that type.

If there's anything I can do to make this request more appropriate or specific please let me know.

Sincerely,

Bruce W. Hain
