Dear Mr. Segar,

Thank you for your public records request of yesterday. And, for our follow-up discussion today. You requested:

“All public AGO records or public portions of records of communications between the Vermont Attorney General's Office and any and all parties, individuals or corporate, that involve in any way:

- 1) The sale of the Marlboro College campus to Democracy Builders Fund or another party.
- 2) The proposed agreement between Marlboro College and Emerson College to transfer the assets of the former to the latter.”

After discussion, we confirmed that for correspondence from Vermonters we may continue to produce on monthly basis either by link or by sending to you so you have access to those documents. Thank you.

You may find public records responsive to your first request here: <https://ago.vermont.gov/wp-content/uploads/2020/06/2020-06-11-Curtis-further-response-to-Heck-w-docs.pdf>

Other correspondence is also available online here: <https://ago.vermont.gov/2020-vermont-attorney-generals-office-public-record-act-requests-and-responses/>

With respect to your second request we have not yet received notice of the proposed transfer of assets between Marlboro College and Emerson College. In light of that, you requested (as another requester has done) to treat this as a standing request as to notice of proposed transactions by Marlboro College. I am happy to do so.

Thank you for your time and consideration.

Best, Christopher
