Subject: Your Public Records Request
Date: Friday, June 26, 2020 12:22:00 PM

Dear Mr. Hall,

Thank you for your public records request of June 24, 2020. You requested: “any and all documents, with such redactions as are necessary, in regard to the proposed sale of the assets of Marlboro College to Democracy Builders Fund, and to the related merger of Marlboro College with Emerson College, of Boston.” And, “any other documents as the office receives them.”

Subsequent to our conversation, we agreed that you already possess, or have access to public records already posted on our website. And, that you are content to accept and continue to accept that type of constituent correspondence on a monthly (rather than daily) basis as some other requesters have also agreed to, and that furthermore, with respect to notice of any proposed transaction between Marlboro College and another entity will be treated as a standing request on the date we receive it.

As a result, the records you requested are already either received or posted. And, we will proceed as to the notice as outlined above (with three days set out in statute to respond).

Thank you for your patience and flexibility in amending your request.

If you have any questions or concerns please don't hesitate to contact me.

Best, Christopher
