Dear Mr. Hall,

I understand your request for documents from Marlboro College or Emerson College regarding a proposed transaction between the two. We will respond pursuant to 1 VSA § 318. I am copying my colleague, Jamie Renner, on your request as well. Thank you.

Best, Christopher

Hi,

I am still not quite sure what you mean by all this, but I do wish to have the documentation for the Emerson-Marlboro transaction immediately upon its arrival, and, I assume, in electronic form. Given the exigencies of journalism, this is necessary. The constituent correspondence is of far less importance. I believe that the Emerson-Marlboro documentation will come as early as tomorrow, according to my sources.

I am also sending this to Lauren Jandl and to the information address in the event that you are unable to respond for whatever reason.

Thanks,

C.B. Hall
