Re: Vermont Public Records Act request, dated June 23, 2020

Dear Ms. Cochones:

I write in response to your request for public records, dated June 23, 2020 and received by our office on June 30, 2020. You requested: "A copy of the reports regarding the incident that occurred on 9/1/2019." You further noted that your glasses had been broken and your caseworker told you that you needed to obtain copies of reports about the incident for a replacement.

The Vermont Attorney General's Office is not the custodian of record for such reports. However, you may contact Charles Remick at the Vermont Department of Corrections for assistance. His contact information follows:
