Subject: Request for Records

Dear Mr. Patten, our office received correspondence from you regarding records you seek from the Tax Department. The Attorney General's office, however, only has control over records for which we are the custodian, and that is not the case in this instance. For assistance with your request, please contact the Tax Department Public Records Officer via this link: <https://tax.vermont.gov/public-records-request>.

Kind Regards,

*Michelle Anderson
Assistant Attorney General*
