**To:** [REDACTED]

**Subject:** Records Request

*Dear Ms. Harrington,*

*Our office received the below correspondence from you regarding records you seek from the Bennington Chamber of Commerce. The Attorney General's Office, however, only has control over records for which we are the custodian, and that is not the case in this instance. I understand you have the appropriate contract for the Bennington Chamber of Commerce to pursue your request with them.*

*Kind Regards,*

*Michelle*

*Michelle Anderson  
Assistant Attorney General*
