Re: Vermont Public Records Act request dated June 29, 2020

Dear Justin:

I write in response to your Vermont Public Records Act request dated June 29, 2020. Your request was for:

[R]ecords of communications, including but not limited to emails, between the [Vermont Attorney General] with employees of Facebook[, ] whose email addresses typically end in “@facebook.com” or “@fb.com.” Specifically, [...] communications with Facebook from January 1, 2020 to present related to elections. Possible search terms and keywords for responsive communications include:

- Election interference
- Election meddling
- Foreign election interference
- Election-related misinformation
- Election law violation
- Improper or illegal campaign advertisements
- Removed posts or advertisements from political campaigns
- Censorship of posts
- Consumer complaints regarding election ads, misinformation or offensive posts or censorship of posts.

The Attorney General has no records responsive to your request. Note that text messages were not included in our search as we did not receive from you either phone numbers or names of individuals for whom you wanted us to search, as I requested in my letter of July 1, 2020.

Thank you.

Sincerely,

/s/  
Charity R. Clark  
Chief of Staff
