Address	30 Hudson Yards 17th floor New York City, NY 10001 United States
Email	sydney.allard@turner.com
Phone Number	(202) 607-9300

Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

Hello,

My name is Sydney Allard and I am a Field Producer for HLN Original Series. We're currently working on a new documentary for one of our series and I wanted to reach out to for any public domain information from the Vermont State Police on the case we are focusing on.

The project is part of our ongoing series "How It Really Happened with Hill Harper." Our episode on the murders of Dartmouth Professor Half and Susanne Zantop in January 2001 by Chelsea Vermont residents Jim Parker and Robert Tulloch. This will be a 1 hour episode covering the events at that followed the murder, the subsequent manhunt and investigation, the trial, and where everything currently stands today.

I am reaching out about police reports/evidence photos from the Tulloch and Parker house searches/notes on finding the knives/any reports/witness statements and documents concerning the case from Vermont's side of the story.

Please let me know if you need any additional information.

Thank you in advance for your time and consideration.

Very Best,
Sydney Allard
CNN-HLN

Please take note of the following

1. This public records request, including any associated correspondence, will be considered a public record in its entirety. As such, it will be made available

disclaimer:

to any member of the public upon request.

2. Do not include any sensitive information, such as medical information, financial account numbers, or Social Security numbers. The AGO will contact you if additional information is required.

3. Submission of this form does not constitute receipt of it by the AGO. Your public records request will be considered received on the next business day following its submission.

Agreement

I agree that I have read the directions and disclaimers on this form and that the information that I have provided is accurate to the best of my knowledge. Clicking the Declaration below is equivalent to my electronic signature.
