Vermont Attorney General

To whom it concerns,

This is a request under the Vermont Public Records Law. Per the statute, please provide records responsive to the following portions of this request as soon as possible.

I am seeking internal memoranda, notes and communications regarding two conference calls that the Attorney General's Office was invited by Facebook to join that were also joined by the Department of Homeland Security's Countering Foreign Interference Task Force and the FBI Foreign Influence Task Force. The call took place on March 12, 2020, and the Office was invited to join in an email sent by Facebook's Will Castleberry on March 5, 2020.

Additionally, I am seeking internal memoranda, notes and communications regarding a previous conference call with the same parties, but for which I do not have a date.

I preemptively agree to pay fees up to \$100 for the search and production of the above-described records and ask to be notified only if the estimated fees exceed that amount. Once records are compiled, please justify each deletion separately by reference to specific exemptions of the law and release all reasonably segregable portions of otherwise-exempt material.

I look forward to your response within the act's statutory time limit.

Thank you for your consideration of this request.

Sincerely,

Justin Glawe
