Re: Email dated July 24, 2020

Dear Mr. Heck:

I write in response to your email to the Attorney General's Office, dated July 24, 2020. In the course of your email, you stated:

I also am requesting ALL information about ALL complaints regarding the Vermont AGO in regarding to failure to comply with the law regarding release of information under public records request.

It appears you may wish to make a request for public records. Information, however, does not fall within the scope of the Vermont Public Records Act. If you seek complaints themselves, rather than information about complaints, that is certainly covered by the Act. Please let me know if you would like complaints of the nature you describe.

Once you provide the requested clarification, we will move ahead with preparing a cost estimate for this request. Thank you.

Sincerely,

/s/ _____
