Vermont Attorney General

To whom it concerns,

This is a request under the Vermont Public Records Law. Per the statute, please provide records responsive to this request as promptly as possible.

I am seeking records of communications, including but not limited to emails, between the above-named office and division with employees of Facebook, whose email addresses typically end in “@facebook.com” or “@fb.com,” as well as the email addresses “reports@content.facebook.com” and “@consumerpolicy@fb.com.”

Possible search terms and keywords for responsive communications include:

- Election interference
- Election meddling
- Foreign election interference
- Election-related misinformation
- Election law violation
- Improper or illegal campaign advertisements
- Removed posts or advertisements from political campaigns
- Censorship of posts

**The time period for this request is June 29, 2020 to present.**

I preemptively agree to pay fees up to \$25 for the search and production of the above-described records and ask to be notified only if the estimated fees exceed that amount.

Once records are compiled, please justify each deletion separately by reference to specific exemptions of the law and release all reasonably segregable portions of otherwise-exempt material.

I look forward to your response within the act’s statutory time limit.

Thank you for your consideration of this request.

Sincerely,

Justin Glawe
