Vermont Attorney General

To whom it concerns,

This is a request under the Vermont Public Records Law. Per the statute, please provide records responsive to the following portions of this request as soon as possible.

Please provide all Civil Investigative Demands (CID) and all subsequent communications related to those CIDs and/or all subpoenas and requests for information from the following companies and their representatives:

1. Alphabet Inc. and/or Google LLC
2. Facebook Inc.
3. Amazon.com, Inc.
4. Apple, Inc.

Routine law enforcement requests to access accounts of those who are suspects in ongoing criminal investigations may be excluded.

I preemptively agree to pay fees up to \$100 for the search and production of the above-described records and ask to be notified only if the estimated fees exceed that amount. Once records are compiled, please justify each deletion separately by reference to specific exemptions of the law and release all reasonably segregable portions of otherwise-exempt material.

I look forward to your response within the act's statutory time limit.

Thank you for your consideration of this request.

Sincerely,

Justin Glawe
