Good morning Charity -

Happy Friday!

Pursuant to 1 V.S.A. §318, your office is required to produce requested records within three days of the request, or under “unusual circumstances,” no more than 10 days of the request. It has been 18 days since my original request. Additionally, based on what you have sent, I am dumbfounded as to why you needed the extra 10 days to produce, which was in essence, an already produced request.

I am demanding that you produce the requested records immediately, and provide me a reason, as is required under law, for the original delay.

I appreciate your prompt reply.

Thank you.
