Re: Vermont Public Records Act request, dated August 17, 2020

Dear Jill:

It was nice speaking with you this morning regarding your request for public records dated August 17, 2020. Your initial request was for all communications, including “text messages, emails, notes, motions, phone records and/or recordings,” “[p]ertaining to any and all parties, witnesses, victims, prosecutors, judges, attorneys, parents of defendants or victims, and anyone with information about [*State v. Bolaski*, Docket No. 972-8-08 Wrer]” from January 1, 2014 and July 31, 2020 between the following individuals:

- a. John Lavoie and David Cahill
- b. David Cahill and Meghan Place
- c. John Lavoie and Attorney William Sorrell
- d. Robert Sand and AG William Sorrell
- e. John Lavoie and Meghan Place
- f. John Lavoie and Robert Sand.

As we discussed this morning, the Attorney General’s Office (AGO) would not be the custodian of record for any of these individuals except Attorney General William Sorrell. Regarding the temporal scope of your request, Attorney General Sorrell left office in January 2017. As such, there would be no responsive records after that time.

We will now proceed to search any of Attorney General Sorrell's communications for which the AGO is custodian of record for responsive records dated January 1, 2014 through January 2017.

Please let me know if you have any questions.

Sincerely,

/s/
Charity R. Clark
Chief of Staff
