Dear Ms. Engelhart,

Thank you for contacting the Attorney General's Office. The Attorney General's Office is not authorized to provide legal advice or opinions to private citizens or organizations. The mission of this Office is to represent the State's interests in legal proceedings and to provide legal services to State agencies. Please consult the attorney who handled your divorce or contact a new private attorney. We can offer you the number for Vermont Lawyer Referral through the Vermont Bar Association at 1-800-639-7036.
