Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.	I am requesting an opportunity to inspect or obtain copies of public records that pertain to statewide data collection of pavement surface conditions and network videolog or the purchase of data collection equipment for the same purpose. The issuing agency would be the Department of Transportation. I do not have an RFP number to reference, an RFP title or a contract number. I would like to evaluate both the RFP/IFB/RFQ etc... and the authorized contract between the state and the provider of goods and/or services. Please feel free to contact me if any additional information is required. Thank you.
