

██████████

**IMPORTANT INFORMATION
PLEASE REVIEW CAREFULLY**

████████████████████

Dear ██████████

I am writing to inform you about a recent data security incident that may have involved some of your information. Based on a thorough forensic analysis we recently discovered that you are one of the limited number of individuals whose information may have been compromised. The privacy and security of the personal information we maintain is of the utmost importance to Bouyea & Associates, Inc. Accordingly, I want to provide you with information about the incident and let you know that we continue to take significant measures to protect your information.

What Happened?

As a result of a phishing incident, an unauthorized party obtained access to one (1) Bouyea employee email account.

What We Are Doing.

Upon learning of this issue, we secured the account and commenced a prompt and thorough investigation. As part of our investigation, we have worked very closely with external cybersecurity professionals. After an extensive forensic investigation and manual document review, we discovered on September 10, 2021 that the email account that was accessed between May 10, 2021 and May 11, 2021 contained some of your personal information.

What Information Was Involved.

The accessed account contained some of your personal information, specifically your full name and financial account number.

What You Can Do.

We have no evidence that any of your information has been misused. Nevertheless, out of an abundance of caution, we want to make you aware of the incident. This letter provides precautionary measures you can take to protect your personal information, including placing a fraud alert and/or security freeze on your credit files, and/or obtaining a free credit report. Additionally, you should always remain vigilant in reviewing your account statements for fraudulent or irregular activity on a regular basis. To the extent it is helpful, we have also provided information on protecting your medical information on the following pages.

For More Information.

Again, please accept our apologies that this incident occurred. We remain fully committed to maintaining the privacy of personal information in our possession and have taken many precautions to safeguard it. We continually evaluate and modify our practices to enhance the security and privacy of your personal information.

**If you have any further questions regarding this incident, please contact [REDACTED] at [REDACTED]
[REDACTED]**

Sincerely,

[REDACTED]
Bouyea & Associates, Inc.

– OTHER IMPORTANT INFORMATION –

1. Placing a Fraud Alert on Your Credit File.

We recommend that you place an initial one (1) year “Fraud Alert” on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax

P.O. Box 105788
Atlanta, GA 30348
<https://www.equifax.com/personal/credit-report-services/credit-fraud-alerts/>
(800) 525-6285

Experian

P.O. Box 9554
Allen, TX 75013
<https://www.experian.com/fraud/center.html>
(888) 397-3742

TransUnion LLC

P.O. Box 6790
Fullerton, PA 92834-6790
<https://www.transunion.com/fraud-alerts>
(800) 680-7289

2. Consider Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a “Security Freeze” be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze

P.O. Box 105788
Atlanta, GA 30348
<https://www.equifax.com/personal/credit-report-services/credit-freeze/>
(800) 349-9960

Experian Security Freeze

P.O. Box 9554
Allen, TX 75013
<http://experian.com/freeze>
(888) 397-3742

TransUnion Security Freeze

P.O. Box 2000
Chester, PA 19016
<http://www.transunion.com/securityfreeze>
(888) 909-8872

In order to place the security freeze, you’ll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

3. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

4. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.

New York Residents: You may obtain information about preventing identity theft from the New York Attorney General's Office: Office of the Attorney General, The Capitol, Albany, NY 12224-0341; <https://ag.ny.gov/consumer-frauds-bureau/identity-theft>; Telephone: 800-771-7755.

Rhode Island Residents: You may contact law enforcement, such as the Rhode Island Attorney General's Office, to report incidents of identity theft or to learn about steps you can take to protect yourself from identity theft. You can contact the Rhode Island Attorney General at: Rhode Island Office of the Attorney General, 150 South Main Street, Providence, RI 02903, www.riag.ri.gov, (401) 274-4400.

As noted above, you may obtain a security freeze on your credit report to protect your privacy and ensure that credit is not granted in your name without your knowledge. You have a right to place a "security freeze" on your credit report pursuant to chapter 48 of title 6 of the Identity Theft Prevention Act of 2006.

The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. When you place a security freeze on your credit report, within five (5) business days you will be provided a personal identification number or password to use if you choose to remove the freeze on your credit report or to temporarily authorize the release of your credit report for a specific period of time after the freeze is in place. To provide that authorization, you must contact the consumer reporting agency and provide all of the following:

1. The unique personal identification number or password provided by the consumer reporting agency.
1. Proper identification to verify your identity.
2. The proper information regarding the period of time for which the report shall be available to users of the credit report.

A consumer reporting agency that receives a request from a consumer to temporarily lift a freeze on a credit report shall comply with the request no later than three (3) business days after receiving the request.

A security freeze does not apply to circumstances where you have an existing account relationship and a copy of your report is requested by your existing creditor or its agents or affiliates for certain types of an account review, collection, fraud control, or similar activities.

If you are actively seeking a new credit, loan, utility, telephone, or insurance account, you should understand that the procedures involved in lifting a security freeze may slow your own applications for credit. You should plan ahead and lift a freeze -- either completely, if you are shopping around, or specifically for a certain creditor -- with enough advance notice before you apply for new credit for the lifting to take effect.

You have a right to bring a civil action against someone who violates your rights under the credit reporting laws. The action can be brought against a consumer reporting agency or a user of your credit report.

To place a security freeze on your credit report, you must send a request to each of the three major consumer reporting agencies: Equifax, Experian, and TransUnion. These agencies can be contacted using the contact information provided above.

In order to request a security freeze, you may need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
1. Social Security number;
2. Date of birth;
3. Complete address;
4. Prior addresses;
5. Proof(s) of identification (state driver's license or ID card, military identification, birth certificate, etc.);
6. If you are a victim of identity theft, a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft;
7. If you are not a victim of identity theft, payment. Do not send cash through the mail.

There were three Rhode Island residents impacted by this incident.

5. Protecting Your Medical Information.

We have no information to date indicating that your medical information involved in this incident was or will be used for any unintended purposes. As a general matter, however, the following practices can help to protect you from medical identity theft.

- Only share your health insurance cards with your health care providers and other family members who are covered under your insurance plan or who help you with your medical care.
- Review your "explanation of benefits statement" which you receive from your health insurance company. Follow up with your insurance company or care provider for any items you do not recognize. If necessary, contact the care provider on the explanation of benefits statement and ask for copies of medical records from the date of the potential access (noted above) to current date.
- Ask your insurance company for a current year-to-date report of all services paid for you as a beneficiary. Follow up with your insurance company or the care provider for any items you do not recognize.
