brownington central school

5th grade

Things I love about Vermont's environment are that there are many beautiful mountains. There is a wide variety of animals that live In The Vermont mountains there is a lot of forest. in the winter We ski/snowboard,sled, play in the snow, snowmobile,ice skate, and ice fish. The rivers and lakes in Vermont's there are many beautiful lakes rivers like lake willoughby,memphremagog,and lake champlain. I live in a very beautiful environment. In the summer you could come to my family's campground willowood campground brownington vermont we have a pool playground bring your kids if you have any. Some of the animals we have here white tail deer,bears,bobcats,raccoons,mountain lions, and fish. We love maple syrup and it is really good on pancakes and waffles. We have a local lake, Willowby . There are hiking mountains there and you can boat,tube and stuff like that. I will go to Burke and my friends. I like the fresh air in the summer and the fall. It's just so nice having fresh air. Some things I love about Brownington and the views and animals are so beautiful and the views we get I get a nice view of the lake and the mountains. I basically live in my pool in the Summer. Me and my family go some Saturdays to get some baked goods at the Amish. I love their donuts there, they are so good and delicious. I get glazed donuts. I also ride My bike around. My family has a fireplace in our backyard. Me and my friend made a little tradition between us every 4th of july we spend the night in a tent in the forest. I love the fruit and vegetables I grow like jalapenos And cucumbers. And the Leaves in the falls are so pretty. Yellow, orange and red are the best.

There is a secret spot there, little rock slides. It's really fun one time my brother and some of his friends walked 2 miles to get there by foot. It was fun. I got cut by a branch though. My brother and I do a lot together. We ride our four wheelers in the mud and come back covered in mud. It's fun. I love the spring seeing the flowers bloom and stuff. In the summer I play baseball. I'm in the majors this Year the weather is so nice and the forest is so pretty with the green trees. This summer me and my brother are gonna build a treehouse . And I'm gonna go swimming and ride my bike and play wiffle ball. I love wiffleball. Last summer I was hit in the leg really hard with the ball. It hurt. TheThe flowers inThe spring are so beautiful like the sunflowers,dandelions, and other flowers, etc. I think that one day a big tree will grow and it will be 200ft Tall. I love to eat sugar on snow and put maple syrup on my waffles. I like fishing and Catching and releasing bass,pumpkin seed,trout and pickerel. One time One time my brother caught a snapping turtle by accident. It was huge. In my pond I like catching frogs and skipping rocks. I also like trying to catch the ducks I never can. During the summer I pick up trash at my campground and every can I pick up I get \$0.5. If I get 2 cans I can get 1 piece of bubblegum. I save up to buy 4pieces of gum and it helps the environment by picking up trash. Every time i find an animal in our pool i try to save it if i can't i bury it. My favorite type of Lizards are skinks. I love reptiles here, they are so cool. I also like hunting because my family loves deer meat. I like the trees here. There are many varieties like pine,beach,birch and maple they're so pretty.
